

Your building will be delivered on a Rigid HGV vehicle which is up to 30' long and 11' high or a HGV Artic vehicle which is 65' long and 14' high. You must inform us if there are any access restrictions that may prevent your building being delivered on either of these vehicles. On most deliveries the panels will be offloaded using a 'piggy back' forklift truck.

We **cannot** deliver your building without this document and the balance of payment, both of which **MUST** be received **2 clear weeks before the provisional week commencing date**.
